

Shelby Police Department Public Notice

The Shelby Police Department is scheduled for an on-site assessment as part of a program to achieve Law Enforcement and Public Safety Communications reaccreditation by verifying it meets a set of internationally recognized professional standards.

Administered by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), the accreditation programs require agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services. A team of assessors from the commission will be conducting this assessment March 13-16, 2017.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session on **Tuesday, March 14, 2017, at 6:00 p.m.** The session will be conducted in the City of Shelby Council Chambers, located at 300 South Washington Street in Shelby.

Agency employees and the public are also invited to offer comments by calling 704-669-6654 on March 14, 2017, between the hours of 2:00 p.m. and 4:00 p.m. Comments will be taken by the Assessment Team.

Telephone comments as well as appearances at the public information session are limited to 10 minutes and must address the agency's ability to comply with CALEA's standards. A copy of the standards is available at the information window at the Shelby Police Department. The local contact is Captain Brad Fraser, Accreditation Manager for the Shelby Police Department, who can be contacted at 704-484-7157.

Anyone wishing to submit written comments about the Shelby Police Department's ability to comply with the standards for accreditation may send them to:
